Travel Restrictions

Travel is a privilege not a right. No person is allowed to travel outside of their district during the first 60 days of supervision. This is to allow time for the proper referrals to be made and ensure compliance with the conditions of release. Travel requests must be submitted 10 days in advance to allow time to confirm the details and nature of your trip. It is regularly requested that offenders report to the office upon return to submit a urine specimen to ensure compliance with drug conditions while on travel. Generally offenders are not allowed to travel for pleasure if they are delinquent in their fees or if they have been considered non-compliant in the recent past. However, exceptions for travel restrictions are made in cases of verified emergencies.
